

How to find us

Due to their great central location, Fir Tree and Willow Cottages are easy to find.

We are only 5 minutes from the A55, which makes it ideal for long or short distance travellers, for those seeking a short break away or a longer stay. A location which offers so much to every visitor from countryside and mountains to the coast, whether your interest lies in photography, fishing, mountain biking, walking, horse riding or just breathing in the surroundings and experiencing all North Wales has to offer.

Leave the A55 at Junction 21, for traffic heading from the direction of Chester; turn right at the end of the slip road, (for those heading from Anglesey turn left) head down towards the promenade and turn left. Follow the promenade through Rhos-on-Sea, continue along, eventually you will pass Rhos-on-Sea Golf Club on the left, take the third left turning after this (the Beach Restaurant is on the corner) you have now arrived in Maes Gwyn Road, both cottages are on the left hand side.
